Alexander Cestaro called the meeting to order at 6:26 PM.

ADMINISTRATIVE MATTERS
Request to Increase the Number of Curb Stops at Brackett Landing
Jacqui Beebe reviewed the request outlined in the memo in the packet from Environmental
Partners Group. The Town has met with the Brackett Landing representatives and agree with
their request to increase the number of curb stops.

As background, when the municipal water project began, the Town approved the project to
provide 1 curb stop to each property. The original plan for Brackett Landing was for 9 curb stops
for the 49 houses on the property. This has resulted in a hardship for properties in Brackett
Landing that are not close to one of those 9 curb stops.

The Board discussed the request in further detail with Wes Stinson, Environmental Partners
Group.

Arthur Autorino made a motion to approve the request to increase the number of curb stops as to
be recommended by Environmental Group once their review is complete
Aimée Eckman seconded the motion
**ROLL CALL VOTE: Aimée Eckman, Yes; Arthur Autorino, Yes; Alexander Cestaro, Yes;
Jared Collins, Yes; Jamie Demetri, Yes**
